SUMMER STUDY ABROAD PROGRAM

Spend the summer in Spain! **Core in Spain** will unite English, History, and Sociology. Most visitors spend a few days exploring Spain's vibrant sunny beaches, delicious tapas, and festive Flamenco dance. **Core in Spain** will be an extended, month-long residency as faculty and students creatively explore Spain's history and cultural norms through investigations of literature, history, and society. With Spain as both the classroom and the very subject of the program, **Core in Spain** and its three integrated courses, will embark abroad on an intensive and expansive learning adventure in the best interdisciplinary tradition of Core.

COURSES

SOC 339 Social Inequality (3 credits)

ENG 336 Gender & Fiction (3 credits)
