SUMMER STUDY ABROAD PROGRAM

Germany is a political, economic, and cultural powerhouse. We start in the vibrant capital city, **Berlin**, where visits to the US Embassy Commerce Services, Reichstag, Holocaust Memorial, Checkpoint Charlie, Berlin Wall Memorial, and the East Germany Museum will introduce you to Germany's past and present role in Europe.

Our main site is **Augsburg** in Bavaria, minutes away from the historic city of **Munich**. Day and overnight trips—including tours of Riegele brewery, Audi, and Faber-Castell, plus the Germanic National Museum, a toy museum, and Lebkuchen-Schmidt (makers of traditional Christmas cookies) in the neighboring city of **Nuremberg**—will help you experience “Made in Germany” first-hand.

We end in Austria where you will experience rich cultural history through concerts, a visit to Swarovski, and a tour of the US Embassy in **Vienna**, providing you with an opportunity for a comparative perspective on communication and organizational behavior.
